Friday 30th April 2021

## Dear Parents

We have had another lovely week at school. From giants visiting Class 1, a visit from the Duke (from the story the Giraffe, the Pelly and me by Roald Dahl) in Class 2 and visiting imaginary lands in Class 3 we have witnessed the children using some excellent vocabulary and seen some beautiful pieces of writing around school. However, after an afternoon mixing potions the Nursery and Reception children were shocked to find the giant had drunk their potions overnight and was the size of a doll when they arrived at school this morning! I hope he isn't twice as big when we get back to school on Tuesday.

## Sex and relationships education

Over the last year we have looked closely at sex and relationships education and adapted our curriculum and policy to reflect changes in statutory guidance. This is ready to roll out to pupils. As we really value your opinions we are looking to put together a working group to give us feedback. If you are interested and would like to be part of this, please contact Tracy or myself and let us know and we will look at ways in which we can share this information with you and listen to what you have to say.

## CET Photo competition – What does Cumbria mean to you?

Well done to Tracy for making the top 10 with her entry last month. We just need to get a first, second or third place now. Please make sure that if you are entering the April competition, your entries are in by the end of the month. Make sure you include your full name and school and send your entries to:-

Congratulations this week goes to Miss Fisher who received some good news. She has successfully completed her qualification in becoming a higher-level teaching assistant. Well done Miss Fisher.

## TB

Some of you may have heard that a sibling of one of our children has contracted TB and is very poorly. Our thoughts go to the family at this worrying time. Please be assured that we have been in close contact with Public Health England and the Cumbrian TB team and are following their advice. Should we need to, we will contact you with any further information. If you have any concerns about this please speak to me directly.

## Stars of the week

Well done to our stars of the week. Keep up the good work.

### Early Years

Franky

For his fantastic writing and Sentences.

### KS1

Hollie

For her excellent handwriting, making spaces between words and asking for help when needed

### KS2

Jade

For being really kind and helpful to others for being mature and doing really well with her school work.

Please remember that this weekend is a Bank holiday and school will be closed on Monday. We look forward to seeing all the children back on Tuesday.

Have a lovely weekend.

L Bland.
