Behaviour at the park

Unfortunately, it has come to my attention that some of Tebay pupils are not behaving as we would expect when outside of school.

As a close knit community, we all recognise the positive impact on children's mental health and well-being to have the opportunity to be outside, active and socialising with their peers rather than being sat in front of an electronic device. We also recognise that having fallings out and disagreements will happen and learning to deal with such things is all part of developing vital social skills.

However, please can I ask for support from our families to remind children of expected behaviour when outside of school. We ask them to think about the impact of their words and actions on the feelings of others. The effects of such behaviour can be far reaching and is beginning to affect relationships between peers in school. All pupils will be reminded of what we, as a proud school community, expect from them during a whole school assembly and within classes.

I am incredibly proud of all our pupils and know that on the whole, their behaviour is of a high standard. I thank you in advance for supporting school with this. The lighter and warmer evenings are something we want all of our pupils to enjoy but in a safe and kind environment.

Class 3 music:

Thank you to all the parents who came to watch the Marvellous Mules perform 3 pieces they had prepared in music. The children have thoroughly enjoyed their music lessons, thank you to Drum and Brass for coming into school to deliver these lessons.

Friends of Tebay School.

FOTS have been asked to support the village sports day on Saturday 15th June. On Friday 14th June we will be holding a non uniform day in return we ask parents to send in cakes that can be sold on a stall at the village sports day.

Stars of the week

Leo – for working independently and writing an entire sentence which he could read back to the class.
