Playground Proms:

On Tuesday morning, the whole school took part in the Playground Proms performance. The Graffiti Classics, a comedy quartet, introduced classical music using a range of stringed instruments with a comedy twist. The children absolutely loved it! One child in reception told her mum it was the best day ever!!! You can't ask for more than that. Check out the photos on social media. A huge thank you to all involved.

Tebay Superstar:

We received the wonderful news that our very own Tracy Morland is a finalist in the Golden Apple Awards for the 'Best Support Staff' category. This is recognition of what we at Tebay already know – Tracy is the backbone of Tebay Primary School and always goes above and beyond for the community, our families and our children. We are incredibly proud! Get your glad rags on Tracy, you are going to the Ball!!!

Stars of the week:

Jack – for amazing progress in phonics.

Leilani – for a really positive week.

Year 1&2 Basic Moves

Year 1 and 2 travelled to KSGS on Thursday afternoon to take part in the Basic Moves Festival. Our children joined pupils from other schools to compete with each other in a range of activities developing their skills in running, throwing, catching and working as a team. The sack race was a firm favourite. By the end of the session, all children were covered in stickers awarded for taking part. I am happy to say, our children were very well behaved and polite to the secondary pupils leading the activities. A huge thank you to Eden Sports Partnership and the staff and pupils from KSGS. It was a great afternoon.

Year 4 CET Sports Event

The Year 4 children travelled to Whitehaven to take part in a CET sporting event. Year 4 pupils from each of our primary school were there to enjoy a range of sporting activities including dance, athletics and fun obstacle races. It was a great opportunity to make new friends and try new things.
