## **Welcome back:**

We were so excited to welcome our children and families back to school after the summer break. I hope you have all had a lovely summer despite the very disappointing weather. Our children looked so smart in their uniforms. A big thankyou to parents for sending children to school in trousers, shorts, skirts or dresses rather than leggings. We have had a great start to the term with lots of wider curriculum activities taking place. Remember to check out the posts on social media (please like and share) but here is a little taster of our return to school:

## **Waterpark Outdoor Education Centre:**

This is the third year in a row that we have taken pupils to the outdoor activity centre on Lake Coniston. It is always a great day and an opportunity to form trusted relationships between children and staff as well as allowing our children to build skills such as resilience, team work and problem solving.

This year was the first time we have taken Year 1 pupils, but it certainly won't be the last. They were fantastic, throwing themselves enthusiastically into all the activities. Hopefully parents had a peaceful Friday evening as I'm sure there was an earlier than usual bedtime that night.

## **Bike Ability**

This week Year 5 and 6 have had the opportunity to take part in Cycle Wise. This is a fantastic programme that teaches children how to ride their bikes safely on the road.

The children started off checking the condition of their bikes to ensure they were safe to ride and practicing the basics in our school playground. Very quickly they graduated to riding on the roads around Tebay. Once again, our children were praised for their positive behaviour. I received a lovely report that riding home from school one of our pupils was praised by a member of the public for being so well mannered. Well done Year 5 and 6.

## **After School Club**

Our clubs are up and running. Particular favourite has been Razzmatazz on Thursday and Explorers Club on Tuesday. Remember to let the office know if you would like your child to take part in any of the activities on offer.

**Monday** – Film Club

**Tuesday** – Explorer's club

**Wednesday** – Gardening club

**Thursday** – Razzmatazz

**Friday** - Mindfulness

## Queen of the Kitchen

This will come as no surprise to our families but our very own Julia has been awarded the highest rating for food hygiene from the Food Standards Agency. Congratulations Julia and thank you for all the delicious meals you prepare for our children. The empty plates and smiling faces at the end of lunchtime says it all!

## Stars of the week:

*Lilly – for being super resilient, kind and caring.*

*Imogen – for being a pleasure to have in class and working so hard.*

*Annie – for always listening and completing work to a high standard.*

*Brooke - for consistently high effort across all lessons, a great learning attitude and being helpful and polite.*

## Core values:

*In recognition of displaying good manners in school:*

*Fleur -*

*Molly -*

*Harvey –*

*Josh -*
