

# TEBAY PRIMARY SCHOOL NEWSLETTER

Friday 28th March 2025

## Dear parents/carers

It the end of another busy week! Time flies when we are all having fun!

## World Maths Day

It was World Maths Day on Wednesday and to celebrate the Oaks took part in an online global Mathematics challenge. The children enjoyed the activities and displayed rapid fire maths knowledge. We can certainly see the progress the children have made in rapid recall of maths knowledge and key facts.

Well done everyone – keep up the good work!

## Cricket Coaching

The children are really enjoying their cricket coaching sessions every Friday with Adam Hornby. It is such a wonderful opportunity to have a qualified coach working across school. The children are developing their skills in batting, bowling and fielding as well as the qualities need to work as a team. Thank you Adam!

## Castle Construction

You may have noticed the requests for children to bring in cardboard from your home recycling boxes. This is all in aid of the Oaks' and Mighty Oaks' DT project to design and build models of a castle. The designs have been very well put together, with careful thought to the purpose of the structure as well as the methods that could be used to join the materials together and provide stability and strength to the model. The construction has begun, and I can't wait to see the finished products!

## Outdoor Learning

Our Acorns had some quality time in the EYFS outdoor learning area this week. We recognise the benefits to taking our learning outside and making learning practical. It was wonderful to see the Little Acorns and the Acorns learning alongside each other and developing their problem-solving skills. Apologies if any children came home a little wet and muddy. The waterwall and the mud kitchen are firm favourites.

Time for our next Fact of The Week:

**Compass directions include north, south, east and west and that a compass needle will always point north.**

## Stars of the week

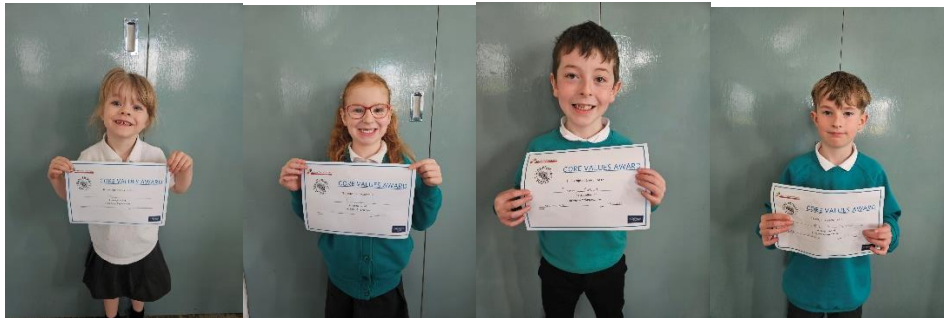

**Jacob** – for positive attitude towards learning.

**Jack** – for trying hard in spelling and writing.

**Lewis** – for showing a positive can do attitude.

**Brooke** – for being an exemplar student and always being eager to improve.

**Core values:**

**Lilly, Imogen, Tommy and AJ.**

**In recognition of displaying manners**
