

History

What was important to the Ancient Egyptians?

Pupils explore Ancient Egyptian beliefs, achievements, and daily life to understand what they valued and why

Science

Sound and Vibrations

Pupils investigate how sounds are made through vibrations and how sound travels and changes.

P.E

Dance

Pupils develop movement skills and creativity by exploring dance actions, patterns, and sequences.

MFL

Birthday celebrations

Pupils learn to talk about birthdays using simple vocabulary, dates, and numbers in the target language.

Computing

Creating Media - Website Design

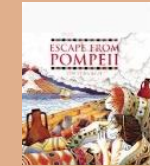

Pupils design and create simple websites, focusing on layout, content, and usability

Spring 1 Oaks (Year 3/4) 2025-26

Writing

The pupils will use the text as inspiration for writing a story from a character's viewpoint.

R.E

Just how important are our beliefs?

Pupils explore how beliefs influence people's lives, choices, and behaviour.

Art

Painting and Mixed Media -Light and Dark

Pupils experiment with paint and mixed media to show light, shadow, and contrast.

PSHE

Citizenship

Pupils learn about their rights, responsibilities, and how to be active, respectful members of their community

Music

Changes in pitch, tempo and dynamics

Theme - Rivers
Pupils explore how tempo and pitch change in music and use these elements in performance and composition.
