NEWSLETTER

Friday 15th May 2026

Dear Parents and Carers,

We hope you are all well and enjoying the brighter spring days. It has been another busy and exciting week here at Tebay, filled with hard work, creativity, and community spirit.

Year 6 SATs

Our Year 6 children have had a very busy week completing their SATs. We are incredibly proud of each and every one of them. Throughout the week, they have shown outstanding focus, determination, and resilience. Their hard work over the year has truly paid off, and they have approached each test with confidence and maturity.

They thoroughly deserve a well-earned rest this weekend!

To celebrate their efforts, we treated the children to a lovely afternoon at the park. They enjoyed a delicious picnic and took part in a variety of fun games. It was wonderful to see them relaxing together, laughing, and making the most of the fresh air.

In recognition of their fantastic attitude, every single child was awarded **Star of the Week**—they really have been true Tebay stars! Well done AJ, Josh, Rocco, Archie, Hollie, Brooke and Scarlett.

A Special Visitor

On Wednesday afternoon, we were delighted to welcome **Dave Morland from Westmorland Services** into school.

Dave delivered a wonderfully informative (and humour-filled!) session demonstrating the process of sausage making. As a school serving a rural community, we believe it is important for our children to understand where their food comes from, and this was a fantastic opportunity to bring that learning to life.

The children thoroughly enjoyed the hands-on experience—rolling up their sleeves and making their own sausages. They certainly showed their creative flair, with some producing very impressive (and rather handsome!) sausage faces!

Please take a look at the wonderful photos on our social media pages.

The sausages are now safely in the fridge and will be cooked and served on Saturday to visitors at our Art Gallery—what a treat!

Art and a Brew

Our fantastic **Friends of Tebay School (FOTS)** group have organised a special event to showcase the children's creativity.

You are warmly invited to **Tebay School's Art Gallery** on:

 **Saturday 16th May**

 **10:00am – 12:00pm**

The children have worked incredibly hard on their artwork and are immensely proud of what they have created.

Please do come along to:

- View the beautiful artwork
- Enjoy a delicious, freshly made sausage sandwich (courtesy of our pupils!)
- Have a brew and a friendly chat

This event is a wonderful opportunity to bring our community together, while also raising valuable funds for our school.

We hope to see as many of you there as possible!

Homework Update

Apologies for the delay in sending homework home recently—we were waiting for our new supply of books to arrive.

These have now been distributed, and homework is due in **next Thursday**.

Moving forward:

- Homework will be handed out on **Fridays**
- Completed work should be returned by **Thursday**

We appreciate your support in helping children establish this routine.

Mental Health Awareness Week

This week, we have been recognising **Mental Health Awareness Week** in school.

At Tebay Primary School, we place great importance on supporting the wellbeing of our children. Throughout the week, pupils have taken part in a range of activities designed to help them understand their feelings, build resilience, and develop positive ways to look after their mental health.

Classes have spent time discussing the importance of kindness, talking about worries, and supporting one another. We have also enjoyed some mindful moments, including time outdoors and being creative with our artwork, which has helped us all to pause, reflect, and appreciate the world around us.

It has been wonderful to see the children engaging so thoughtfully in these activities and showing such care and respect for one another.

We encourage families to continue these conversations at home—sometimes a simple chat can make a big difference.

Stars of the week.

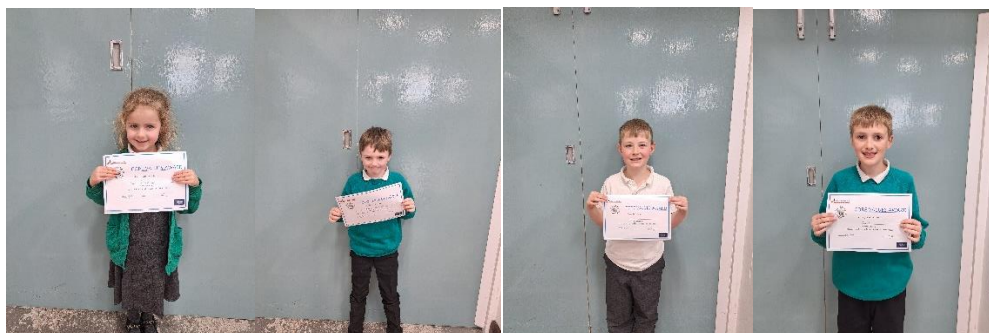

Lilah – for showing fantastic independence and confidence in daily routines.

Preston – for getting on quickly and being well organised each morning.

Year 6 children – for all their effort with their SATS.
