NEWSLETTER

Friday 12th June 2026

Dear Parents and Carers,

What a week it has been! The weather has certainly tested us all, with the rain and wind making their presence known far more than we would have liked. We certainly made the right decision to cancel sports day! Despite the rather gloomy skies, it has been wonderful to see the children continuing to bring sunshine into school with their enthusiasm, creativity and positivity.

Greenholme Show Preparations

The children have been incredibly busy this week getting their entries ready for the upcoming Greenholme Show. There has been such a buzz of excitement across the school as everyone put the finishing touches on their work.

Our **Oaks and Mighty Oaks** have been decorating biscuits to create delicious works of art. Many of the designs beautifully reflected a farming theme, celebrating our rural community and the environment around us.

Meanwhile, the **Acorns and Little Acorns** have produced some truly lovely entries, including pictures, clay tiles, and examples of their gorgeous handwriting.

After our success last year, we are very much looking forward to seeing how well our entries do this time around. Whatever the outcome, we are already incredibly proud of the effort and creativity shown by all of the children.

Mighty Oaks Visit Growing Well

Today saw the final group of **Mighty Oaks** complete their visit to the Grow Well project. The children had a very informative and engaging morning, exploring the wide variety of plants and animals found on the site.

This visit linked brilliantly with their science learning this year, particularly their work on life cycles and reproduction, helping to bring these topics to life in a real-world setting.

We always enjoy our visits to Growing Well and greatly value the experiences they provide for our children. A huge thank you to all of the staff there for giving us such a warm welcome and sharing their knowledge so generously.

Year 4 Times Table Stars

We are incredibly proud of our **Year 4 children**, who completed their Times Tables Check this week. This assessment measures how fluent children are with their times table knowledge, challenging them to answer each of the 25 questions in 6 seconds or less.

Our Year 4 pupils have worked tremendously hard throughout the year and approached the assessment with fantastic resilience and focus. They truly rose to the challenge!

To celebrate their efforts, each child was awarded a **Headteacher's Award sticker**—a well-deserved recognition of their commitment and perseverance.

Well done to Annie, Freddie, Lewis, Harvey, Rory and Austin – we are so proud of you!

We had a special visitor in school on Wednesday, Mrs Collinson brought baby Parker in to meet all the children. The Year 6 children especially were delighted to see them both.

Thank you, as always, for your continued support. We hope the weather brightens soon, but regardless, the children at Tebay Primary continue to shine!

Stars of the week:

Myla – for settling in so well into Tebay Primary School

Lilah – for growing n confidence.

Charlie – for amazing reading and handwriting improvement.

Preston – for the most amazing transformation in his handwriting.

Austin – for his magnanimous and thoughtful actions when sharing our Friday treat.

Eden – for her good contributions both in English and French this week.

Charlotte – for her fun and creative

Core values:

For being respectful and valuing the difference and contributions of others.

Jacob, Jasmine, Maisie and AJ.
