Friday 5th June 2026

Dear Parents and Carers,

We hope you all had a lovely half term and enjoyed the glorious weather.

🌟 Year 6 CET Sports Event

After a mentally and emotionally challenging week completing their End of Key Stage 2 SATs, our Year 6 pupils certainly deserved some fun and an opportunity to step away from their desks. Children from the southern hub of CET gathered together for a special sporting event hosted by KSGS, alongside pupils from Yanwath, Stramongate and Castle Park. It was a wonderful opportunity to remind our children that they are part of a much wider community, while also making new friendships.

The pupils took part in a range of fun activities that challenged their problem-solving and teamwork skills, as well as developing accuracy, agility and strategy. The day finished with a lively dodgeball tournament, which was enjoyed by all.

Well done, Team Tebay — as always, you made us incredibly proud with your excellent manners, behaviour and good sportsmanship. A huge thank you to KSGS for hosting such a fantastic event.

☁ Sports Day Update

We would like to apologise for having to cancel Sports Day, as we know many parents make special arrangements to attend this event.

Unfortunately, the weather forecast predicts significant rainfall over the weekend and into the start of next week. As you are aware, the field at the recreation area can quickly become waterlogged, which poses a health and safety risk for our children.

We did consider waiting until Tuesday evening to make a final decision, but felt it was more considerate to give families as much notice as possible so that arrangements could be adjusted.

We had deliberately moved Sports Day to June this year, as in recent years the weather has been much drier than in July. Let us hope that after this unsettled spell we will return to warm, dry weather and can all enjoy the rescheduled event together. Thank you for your understanding.

🏠 Residential Meeting

Thank you to all the parents who attended the Manchester Residential meeting on Wednesday afternoon. It was a great opportunity to share details of the exciting activities planned and to answer any questions about the trip.

For those parents who were unable to attend, Tracy will be sending out the PowerPoint presentation. If you do have any questions, please do not hesitate to speak to us at the gate during drop-off or collection times, or contact the school office.

Not long to go now — we are all very excited!

Thank you, as always, for your continued support. ❤️
